

## **Pre-Application Reviews Complete**

The pre-application reviews for the STAC *Energy Efficiency and Fossil Energy Science Solicitation* (04-STAC-01) have been completed. A response to the pre-applications received, either encouraging or discouraging the submittal of a full proposal, will be sent to applicants via email. Applicants who are discouraged from submitting a full proposal are not prohibited from doing so. The review of the pre-applications in no way constitutes a determination with respect to the full evaluation to be conducted of proposals submitted pursuant to the solicitation.

In accordance with the requirements set forth in the solicitation, full proposals must be received no later than 5:00 PM Eastern Time on Monday, September 20, 2004. Such a proposal must be submitted in accordance with the instructions contained in the solicitation. Proposals received from parties that did not participate in the pre-application process will not be accepted. View the solicitation here: <http://www.naseo.org/stac/04-STAC-1/default.htm>.

This notice in no way establishes a contract or the right to contract with NASEO for the provision of the work described within the Solicitation.
